SAI HARSHA VARDHAN BEERAKA

harshavardhan46724@gmail.com | +91-9391195119

CAREER OBJECTIVE

A motivated individual with a strong drive to apply technical skills and contribute to the success of a forward- thinking organization. Committed to achieving results through adaptability, analytical problem-solving, and a dedication to continuous learning and professional development.

EDUCATION

B.Tech in Electronics & Communication Engineering (2021–2025) – Vignan's Foundation for Science, Technology and Research, Vadlamudi | **CGPA: 7.62**
Intermediate (MPC) – Tirumala Junior College, Katheru , Rajahmundry | **CGPA: 9.7**
10th Class – Tirumala E.M. High School , Katheru , Rajahmundry | **CGPA: 10.0**

TECHNICAL SKILLS

- **Programming languages:** PYTHON, HTML, CSS, JAVASCRIPT
- **Frameworks & Libraries :** DJANGO , REACT , BOOTSTRAP
- **Tools & Technologies :** GIT , VS CODE , SQ LITE , ORACLE
- **Web & API Development :** REST APIs

PROJECTS

1. Smart Dining Using Django MVT

Description: Developed a restaurant system for pre-booking , pre-ordering and arrival confirmation with dynamic pricing , rewards and QR-based billing to reduce wait time and improve efficiency.

Role: Team Member | **Tools Used:** Python, Django

2. An Ultra-Wide Band Power Divider/ Combiner with Uniform Power Distribution efficiency

Description: Enhanced radar system efficiency by implementing a Butler matrix for multi-beam steering and beamforming. Focused on improving radar signal performance in dynamic environments.

Role: Team Member | **Tools Used:** HFSS (ANSYS), ADS

CERTIFICATIONS & ACHIEVEMENTS

- Certified in **Python Full Stack Development** with comprehensive hands-on training in frontend and backend development
- Certified with **B1 Level** in Preliminary English Test (PET)
- **Published IEEE Paper:** "RF Systems: An Ultra-Wide Band Power Divider/Combiner with Uniform Power Distribution Efficiency" – Research work conducted at IIIT Gwalior

AREA OF INTEREST

Software Development, Full Stack Development, Application Design

PERSONAL DETAILS

Languages Known: English, Telugu
Address: D.No : 46-6-25, Temple Street , Jampeta , Rajahmundry, Andhra Pradesh – 533103
